

# A vision for a systemic cultural education in Lithuania

## Forum

Wednesday, 4 December, Vytautas Magnus University (S.  
Daukanto str. 28, Senate Hall, Kaunas)

The Forum aims to present the UNESCO Guidelines for Cultural and Artistic Education, adopted at the beginning of this year, to stimulate a dialogue on the concept and value of cultural literacy in today's society, and to identify the necessary directions for the development of this field. Experiences and insights will be shared by policy makers, academics and representatives of the non-governmental sector.
